[Rocket Internet](#) made a remarkably bold move this morning -- the Berlin giant is pumping a combined \$717 million into global food delivery companies [Delivery Hero](#) and [HelloFresh](#). [TechCrunch has the full story here.](#)

Did you catch the two parking startups featured in the Daily this week? We dug into the data, and it turns out the parking problem has driven over \$75 million in venture investment in the past year alone. [It looks like these guys are on to something big.](#)

My CrunchBase colleagues are plenty ambitious, so it should be no surprise that they are working on a global survey of startups. [See how we are going to do it](#), then [take the survey here.](#)

Which Menlo Park VC saw the most exits in 2014? [Take a guess.](#)
